INDIA TOUR - 1994

Due to the rather chaotic state India tour got itself into last year, Sri Mataji has asked for everyone who wishes to go on tour this year to register well in advance. She intimated that we should have a completed list of 'India tourists' by the 1st November and that the ground fares should also be sent at this time.

This of course, will make bookings a lot easier - not to mention the tour arrangements themselves. As we have had so many problems associated with travelling Air India/Qantas, we have decided this year to travel with Thai. We have obtained an excellent fare of \$Aus1350 return, leaving 1st December & arriving Delhi 2 a.m. on the 2nd December. We will be leaving FROM Delhi on the 2nd January!. This will mean catching a train to Delhi and then transferring to the Airport. The train will cost \$Aus75 in a 2nd class, air-conditioned sleeper carriage. (As we should number about 50 or so, we would have virtually the whole carriage for yogis!)

This is far cheaper than spending up to one week somewhere on the way to Delhi because of having to leave on the 21st November!

The Thai fare is very reasonable as they have only added \$75 for allowing us to travel in the peak season.

Please let me know as soon as possible if you wish to go to India this year as there really will be a cut off date (Sri Mataji's instructions).

INDIA SCHOOL.

It may be of interest to people who do'nt have children attending India school what is happening. There is at the moment negotiations going on to endeavor to supply the India school with much needed, updated office equipment. A fax, computer and printer is to be purchased in Delhi so the equipment will have service and training available locally. If anyone is interested in contributing to this project please contact Rob Richardson. The parents of the India School children will be contacted shortly by letter about this matter.

ATTENTION ALL PARENTS, AUNTIES & UNCLES!!!!!!

Just before Shri Mataji left Australia, at the Brisbane Airport She spoke at length, and with great concern about looking after the children.... "You must look after the children, it's very important to discipline them, otherwise they'll get out of control. You shouldn't spoil them, you spoil them too much, I just don't understand why you spoil them. You either love them too much or hate them, I just don't understand it. You have to discipline them, it's O.K. to give them a slap, otherwise they won't listen to you. You must look after them they are very important, you must discipline them properly, otherwise they'll turn to drugs and all sorts of things, like in America. Looking after the children is everybody's responsibility, they're all your children, you all have to discipline them." As I was very fortunate to be at the receiving end of this Divine advice, I can assure you She wasn't joking. She was very serious and I took it like an order, very seriously. As Shri Mataji said it is all our responsibility, to help not only look after our children, but more importantly to help discipline them, to protect them and love them without spoiling them.

What a blessing! Regards Susi Hutchings.

INTERSTATE NOTICE.

MISSING JACKET.

Found in Joy's grey over-night bag (traveled via Brisbane & Canberra, per courtesy Marcus of Croydon). A good navy woolen jumper with logo "Australian masters Games". Joy wishes to return same and perhaps collect Joy's same navy coloured jacket, which may have been taken in error, leaving bag owner a navy jersey to ward off the prevailing chill in the air. Thanks, Joy phn 744 7670.

*** Jay Shri Mataji !!! ***

Dear everyone,

At a recent seminar in Connecticut, our attention was brought on some excerpts from the Nadi Granth predictions (made about 2000 years ago) about Shri Mataji's advent and Sahaja Yoga in the modern times, and also about Shri Mataji's horoscope, as well as the Sahaja Yoga horoscope.

As I happen to have these files that were sent some time back by Phil and Manfred, and as many of us have joined the net long after they were sent, I thought it a good idea to send them again.

So here is the first file, about Nadi Granth, and the following message will be the file with Shri Mataji's horoscope.

Dear everyone,

Following Manfred's mail, here is a transcript of what Shri Mataji said as She translated the Marathi version of Nadi Granth to us in Sholapur, early 1982 - I just happened to tape it. So here it is...here they have tried to establish how astrology is so correct, and whatever is predicted is also coming correct. But, this is about two thousand years back, one of the great astrologers of this place (not Sholapur but little downward, Karnataka) he described about this thing. So clear-cut that, I mean you'll be amazed, that he said that this great yogi will come on this earth on the Meenarash (is the Pisces). I'm just on the cusp of the Pisces and the Aries, you see. But that's not so important. Then he says that, gradually, we'll start seeing miracles, from 1964 to 66. He says that, maybe, little bit. But he says the real change, Manvantar in the age, the New Age, he will start from 1970. And by 1980 it will take its grip. Alright? That time, by this new method, the New Age will be formed and the old one, Vaivastha... You see, there's one another, we have yugas, system of the yugas, will be over, and that Yuga is in Kali Yuga. So that's how Kali Yuga will be finished, from 1970. Will be, start receding back, Kali Yuga. And a New Age of active divinity will start, Krita Yuga. New Age of active divinity, Krita Yuga, will start. That time, the Sun will rule in a new way, the Sun. The axis of Earth will be reduced and the speed of the Earth will be reduced, gradually. And that time a great Mahayogi will be born, who will be completely Parambrahma. Completely Parambrahma. That's Me! (laughter and cheers) And He will possess all the powers to do or not to do. Means Mahakali and Mahalakshmi, all the powers, all the powers. Before this, people used to go into bhakti, devotion, jnana means reading, Patanjali yoga, and then they used to get their mokshas. But, this new method that this Mahayogi will bring in, the pure power within you, your chakras will rise and as a result the Kundalini shakti will be awakened and will be enlightening. Because of this new method of Maha Yoga you will see with your own eyes and you'll get it in this body in your lifetime, the Realization. And you'll get the joy of Realization. Imagine, two thousand years back, is greater than Blake I must say. (Question: What's his name, Mother?) His name was Bhujender, Bhujender Kaka. His name was Kaka Bhujender. Acharya Kaka Bhujender. Sattwacharya. You don't have to sacrifice this body. Many people, great saints, sacrificed their body in living condition, they went into a cave and shut themselves and died. That's not necessary with this new method. And you won't die, either. Means, you will achieve your spirit. And the realized souls, the saints who are realized, the Brahmananda, the joy of the Brahma, by

word, sahaja. sa-ha-ja prapta hu, sahaja. And you don't have to give up anything to achieve Brahma.

In the new yoga system, when it will manifest in the different countries, in the New Age, the administration will be governed by people who have their own powers of yoga, depending on how far you are in your yoga. And their qualities as yogis. That will be the determining factor. They will be able to create a society which will completely fulfil their desires and their necessities, and people won't need to have money accumulated with them. The poverty and sickness will be completely finished and in their absence the country, the samaj, the society will be healthy and restful and without any anger. They have described here about the China attacking India, now, these are other places, but this is quite a good thing.

They have also given the name of Jacqueline Murray, she's an American lady, Jacqueline Murray. This woman had depicted about Me, and she had said that a great personality will be born in India, a lady, she said about 1924, I was born in 1923. "About", correct, you see. But Cheiro has said that by 1980 the new Advent will start a New Age. There's a difference of ten years.

There's a lady called Alice Bailey, she's supraconscious I believe, and in supraconscious state she has said that there will be a new - you see because Indians have all their attention on yoga, and so - there will be a new yoga which will come, by which people will be connected to the Holy Ghost. She has said it, this horrible one, Alice Bailey.

There's a danger of a third world war, and is inevitable, but it may be avoided if people develop love for each other with this yoga. There's a lot of things, but I have just read a part of it.

Now this is another thing, that, this one is a tape about what Jnaneshwar has said about this new age, what will happen. Translation of that is with me but it is in Marathi, I will have to translate it into English. That how people will become realized and what will happen, how they will love each other, all these things he has said it, Jnaneshwar, and it is sung in this record...

This is an extract from the Nadigrantha by Mr. Shantaram Athvale. In this book he gives informations about several different nadigranthas which are the great, ancient books on astrology like Bhriгу Samhita, Satya Nadi, Kak Nadi etc.. In this particular extract the author refers to the writings from Kak Nadi written by Kakayyar Bhujander who was a great astrologer and seeker who lived nearly 2000 years ago.

"While Jupiter is in Pisces a great Yogi will incarnate on the Earth. By 1970 it will have become quite evident to many people that a new era will have started. Kaliyuga will end and Krutayuga will start. The axis of the Earth will depress and the Earth's orbit will come closer and closer to the Sun. Human life will undergo a complete revolution. A great Yogi will incarnate at this time. This Yogi will be the Incarnation of Parabrahma (!) and will have all the divine powers.

Until this time a yogi or devotee could achieve the bliss of Moksha and find the ultimate meaning of his live only by following the path of devotion, knowledge and Pantanjali Yoga. But he would have to go through severe penance in order to awaken the sleeping powers of various chakras of his body and finally enlighten the Kundalini Power.

By the new method of yoga devised by the great Yogi Human beings will be able to attain the joy of Moksha within one lifetime. It would no longer be necessary to sacrifice one's body or to die in order to achieve Moksha. The Brahmananda which so far only great saints had been able to experience and then only by entering into the Samadhi state at the point of death, due to his new type of yoga could be achieved by ordinary human beings without entering Samadhi state while dying.

this new yoga. And they won't have to go into samadhi. (Samadhi is where people just sit down, go on meditating for hours together, and the ants go up on them, all that is not necessary.) Just without doing anything like that, they will get their realization. And they will enjoy the joy of Brahma. Sahaja samadhi. This is sahaja samadhi according to... Among millions, at first one will get realization. You understand your own positions, you see the way sometimes we fritter away our attention on nonsensical things, you realize that among millions you are one. This is written here. We fritter away our attention in useless things like my husband, my wife, my children, this, that, and that. So it is written here that among millions one will be selected. Do you follow that point?

Then all the human race can get over their death or their destruction by this yoga. You'll have to lead a life, a married life, a normal life, may not marry but like a normal householder. Otherwise you cannot get this yoga siddhi, like if you become a big saint and a "sadhu baba" or a guru or something great, you cannot get it. You have to be a normal householder, maybe married, may not be married it is not the point, samsari, means living on this earth, in the "brass tacks" as you say. Grass roots. Down to the basics. (some discussion omitted) (I'm getting American now!) ...Nitty gritty... then all your diseases will disappear so fast with this yoga that you won't need anything like a hospital.

In the beginning these great yogis - you people also - only by touching people you can cure people. Is a fact. Like the Ardhanarineshwara (sp?), is Shiva, that will be the state. Human beings, their old age will disappear, their body will remain as it is, and they will have a body which is divine. What a promise! So don't worry too much about your bodily comforts. Alright? Then maybe some of you, if you want you can fly in the air also (laughter) with that body. Also they can become subtle and can enter into the body of - that already you are doing - enter into the body of others, to get them cured. That already you are doing. They will not be touched by the fire and any weapons. Also you will be able to see these subtle things with your own eyes. You can see them. This will not only happen in India but all over the world. India is a country of great punyas, that's why there are powers which will look after the protection of this country, and this country will gradually rise.

He says that the Third World War ... they may go for a third World War, and they will have to suffer for it. After that this great War, and they will have to suffer for it. After that this great Incarnation will interfere, and all the countries will come together with the understanding of collective oneness. And they will understand that war is so horrible. In a very big city (I don't know which one) a conference of all the countries will be held. There not the politicians but the yogis will direct them. Yogis... he calls you yogis throughout. This may be the Third World War we had with China recently; he says that because of China's aggressive policies and the Third World War we'll have to bear a lot of problems, you see. But by, through prayers, we'll be able to unite all the countries. By the new inventions of Science, the Divine knowledge and the Science will become One. With the science, we'll be able to establish the existence of God and of Spirit. That is how there will be no difference, there will be co-ordination between, corelationship between the science and the Spirit, or the Divine knowledge. Already we are getting it because you see on My photograph people get vibrations, it's a science you see, on the television, mantras, all that, if you start curing (?) through scientific methods, you see, you are also using the science for that purpose. You can prove that these things can be carried by magnetic forces, by sound, all these things, we can prove it. Then he says that because of ignorance and because of maya yogis had to suffer a lot to become collectively conscious, brahmaika, to feel the Brahma. But now - and they had to do lot of penance, that was so difficult - you'll become "sahaja". This is the

In the beginning it would be possible for one person in cores to attain this Yoga and Moksha. However, after some time the whole human race with the help of this Yoga will be able to defeat itself. People won't have to worry about food, shelter or clothing While living ordinary lives people will achieve Yoga - Union with God. There will be no necessity for hospitals as there will be no diseases.

In the beginning the great Yogi will be able to heal diseases with a mere touch. Old age with it's destruction of the body will not exist and people will possess heavenly bodies.

The world will have to suffer the consequences of a third world war. This world war would end by interference of the Great Yogi. In the end all the nations of the world will come together with the feeling of oneness. They will agree on the destructiveness of war. There will be a great international conference in a big city of the world. Yogis will lead this conference rather than intellectuals or politicians. Then the world will recover from the aftermath of war. The whole of the humanity will understand the importance of prayer and all the nations will unite together.

Due to new scientific discoveries science and religions would become one. With the help of the science the existence of God and the Soul could be proved. The veil of ignorance and Maya would be drawn aside and Brahmananda, Moksha which could previously only be attained by yogis as a result of very hard work and severe penance would become easily available to many human beings.

In this new era every person would have his position in the system according to his individual qualities and merit. It will be possible to fulfill people's needs and desires and so it will no longer be necessary to accumulate money. Without poverty and diseases society will be healthy and carefree.

"Well, this shouldn't last too long."
