## Travel Arrangements Birth Day Puja 1999 ( School + Non school)

We have been negotiating with both Singapore & Air India/Qantas successfully for the travel arrangements in march 99 and following are the choices on offer

	SINGAPORE	QANTAS / AIR INDIA
AIRFARE	\$1,200 plus taxes (Previous years \$1250+)	\$1,200 plus taxes
FREE TICKETS	Every 26 Th ticket	Every 16 Th ticket
DELHI-BOMBAY	NOT FREE	FREE WORTH \$250

### CALCULATION OF FREE TICKETS

With Singapore, travel originating from Melbourne, Brisbane, and Perth etc will be treated as different groups for the purposes of free tickets.

With Qantas / Air India, all the yogis from all over Australia would be treated as one group as long as we board Air India flight together from Singapore.

The general manager Australasia of Air India has personally assured excess baggage and is willing to help in any situation at any place.

It will make a significant difference in costs with the free tickets for ex with 48 tickets our realistic price with Singapore would be \$1175(one free ticket) while with Qantas/Air India it would be \$1125 besides a free ticket from Delhi to Bombay.

There is a flight from Sydney on 18 Th March which will arrive in Delhi same night while the Singapore is on the 19<sup>th</sup> arriving the same night.

We have to provide the names in the coming week so could you please inform Tracy or me if you wish to travel with the group and your preferred choice.
