INDIA TOUR

SHRI GANESHA PUJA

In the past, it has been the custom for those going on India tour from Sydney, to assemble at Burwood for a puja to Shri Ganesha - to collect our share of gifts and then to go in convoy so as to all arrive at the airport at the same time.

This year, we suggest that we celebrate our puja to Shri Ganesha, on the Friday night as part of the normal Friday night programme. We can then pick up our presents and all meet the following day at 1pm. However, it is most important that we check-in as a group! We are carrying (as usual) a number of boxes containing Shri Mataji's things, if we do not go through as a group these things may not be accepted as collective luggage. So please be sure to be there at 1pm.

Tao Means How

Tao means how: how things happen, how things work. Tao is the single principle underlying all creation.
Tao is God.
Tao cannot be defined, because it applies to everything. You cannot define something in terms of itself.
If you can define a principle, it is not Tao.

Tao is a principle. Creation, on the other hand, is a process. That is all there is: principle and process, how and what.
All creation unfolds according to Tao. There is no other way.

Tao cannot be defined, but Tao can be known. The method is meditation, or being aware of what is happening. By being aware of what is happening, I begin to sense how it is happening. I begin to sense Tao.

ORANGE

Last Sunday 17 Nov there was a seminar held in Orange that
attracted 5 new seekers and 5 people that had been attending
programmes there over the last few months. It was a very uplifting
day organised by Lee & Leonie who live in Orange, and Surrender &
Andrew led us all through four hours of very interesting and
deepening Sahaja experience. Lee & Leonie will continue with a
weekly meditation meeting.

NORTH SYDNEY

Tuesday 19 was the final programme of the year 91 for lunch time at
North Sydney held by the North Shore Yogis. These programmes have
been ongoing and very successful and there were twelve seekers at
this final programme.

CHRISTMAS IN PERTH

Calling all yogis who will be in Sydney at Christmas time...

At our last seminar, we began talking about the possibility of
a special Christmas "gathering" for those of us not going to India.
One idea was that a group of us could travel to Perth to celebrate
Christmas Puja with our WA brothers & sisters.

We now need to get the names of anyone wishing to go, so we can
book airline seats asap. Prelim. details are: approx depart
18 Dec, return 30 Dec.

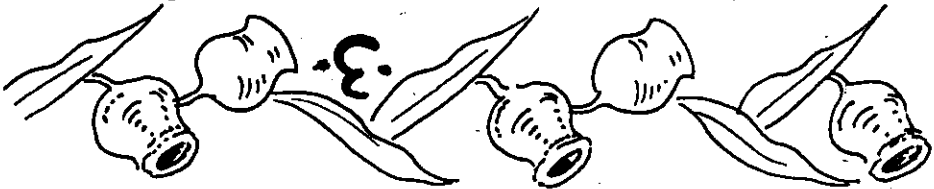

So if you are interested, please phone Charles at Strathfield 747 2820
(evenings) or 745 4562 (day).

On Sunday we all made our way to the public programme in Bellingen.
Stephan introduced the programme emphasizing that Sahaja Yoga was
based on experience, not on books or philosophy, a reference to all
the seeking histories of the attendees. There were 16 new people
there most of them alternate life people from the surrounding hills.
Most of them had seeking backgrounds but felt the cool breeze.
Names were collected and hopefully they will join up with the others
from Coffs Harbor and Nambucca Heads to establish Sahaja Yoga.
Again a very fruitful and collective weekend enjoyed by all. For
their much needed support thanks to Aris & Rajashri, Peter & Asha,
Stephan, Brian, Prasad, Stan and Peter.

On Saturday afternoon the seminar was held at Valla for those who
has come to the previous programmes, six new people attended the
seminar, and at the end they were making arrangements for when
next they would meet. The beginnings of a small collective seem
promising.

On Saturday Nov 16th a seminar was held at Valla as a followup
to the Coffs Harbor and Nambucca Heads public programmes. The
seminar was held at the property of two new Sahaja Yogis, Helena and
Greene who live at Valla which is between Nambucca Heads and Coffs
Harbor. They arranged the followup for the people who attended the
public programmes.

Please guide us on our journey,
Through this timeless land.

Chorus: India, India (2)

For lifetimes I've been waiting,
Endlessly I've roamed.
Your very earth vibrating
Now my spirit's home.

You Are India.

Chorus: India. India, India - Nirmala Devi.
