So many powers Mother has to have to protect Her children and to look after them. These powers are all there, working relentlessly all the time - 24 hours. So anybody who surrenders to Mother, these powers express themselves and try to help you out of your problems.

But first thing is surrendering. If you are not surrendered, if you are not in the kingdom of God, then that is not the responsibility of the Mother. Then it might be that some negative force might take over and destroy you.

SHRI MATAJI'S TOUR OF AUSTRALIA AND SOUTH EAST ASIA IN THE YEAR 2000

During conversations with Shri Mataji at Cabella after Ganesha Puja, She graciously confirmed Her acceptance of our invitation to come to Australia, New Zealand, and some of the countries of South East Asia in March next year.

Not everything was spelled out fully at this stage and what has been stated so far is always subject to change by Her, but at present....

Shri Mataji will come to Australia so that we may celebrate the very significant and auspicious occasion of the Maha Shivaratri puja in Her Divine presence - the first of the major pujas of the new Millenium. She has said that She will travel from Bombay and arrive in Sydney on Tuesday 29th February.

She will remain in Sydney between the 29th and Wednesday 8th March when She will travel to New Zealand, where She will stay until the 10th March and then travel to some of the countries of South East Asia. She mentioned Hong Kong and Japan. She will return to Bombay on 19th March where she will stay with Her family and celebrate the actual day of Her birth with them at their request and then go to Delhi for the formal Sahaj celebrations on 24th, 25th and 26th March, 2000.

★DIWALI PUJA 99★

5-6-7 November Delphi, Greece

The collectivities of **France, Switzerland, South African Countries and Greece**, have the privilege to invite all our brothers and sisters from all over the world to join us in the celebration of the Diwali Puja at Delphi, Greece.

We feel that it will be a very auspicious occasion for all of us to unite at Delphi, which is the center point of the **Nabhi of the world**, and a major **Shri Ganesha swayumbhu**. We shall therefore worship our Holy Mother as **Shri Mahalaksmi** in her place of abode.

The puja will be held at the **Apollon camping** site at Delphi. The site is located about a 2 ½ hour drive from Athens. In order to make proper arrangements, we would like to **know very soon the total number of people arriving from each country**. Cost of Puja includes staying at the tent in which the Puja will be held. Meals are included from Friday's dinner to Monday's breakfast.

There will be a **public program** in Athens after the Puja on 9th November. The public program will be held at the **Hotel Novotel**, 4-6 Michael Voda str, in the center of Athens. We would like to know how many people from each country would like to stay for public program in order to arrange for their accommodations.
