Let me see my mistakes, not others. Let me see why people are not happy with me. Give me strength to have a very sweet tongue and a very sweet nature, so that others like my company, they enjoy my company.

Let me be like a flower and not like a thorn. You have to pray. All these prayers are going to help you. Then ask for the greatest prayer which you must ask... Please keep me away from EGO that gives me ideas that I am superior to others, or in any way that takes away my meekness and my humility.

Give me natural humility, by which I can penetrate into the hearts of people. Just you have to bend your head and you go up to your heart. You have to bend your head and there is your heart... Where resides the SPIRIT, be with it. If you are any way hurt in your ego, or you are hurting somebody's ego, it is just the same. You'll behave in the same manner, the same egoistical manner.

So try to understand that these things have to go away. Its best is to pray and ask for help. Prayer is a very big thing, but with your heart... Pray... That God give us strength and that growth that we can please our Mother sometimes. We want to please our Mother... We want to see Her happy. The only thing that will really give Me happiness is... That the way I love you... You love each other.

NEWS FROM DARWIN

Dear everyone,

Just a quick note to let you all know Darwin had it's 3rd annual "Health and Healing Expo" last Sunday. Many people of very high spiritual understanding got more than they expected, leaving with the familiar smile of gratitude and peace on their faces. We expect a good number to come to the follow-ups. Of course all the "heavy" stuff was there, but many of them came over for Self Realisation after hearing my 15 min talk on "Self Realisation - What does it mean?" About 40 people all up. A very busy day enjoyed by all. The vibrations were much better than previous years, my Agnya is happy to say. Much love to all.

JAI SHRI MATAJI!

--Genova Public Program-----

Three years after the last public program with Shri Mataji in Italy (Bologna '93), on the 18th of June, we had a chance to witness to the awakening of one thousand of seekers in a theatre of Genova. The event had been announced on two newspapers with two beautiful articles whose title were "Enchanting India lives with Shri Nirmala Devi" and "The Great Mother who guides to peace".

After an introductory video there was an interview to Mr. Guido, "the president of the Sahaja Yoga association in Italy"! Then the Swiss group presented some bhajans which held the audience spellbound along with the miracle pictures of Shri Mataji, projected on a big screen at the same time. Even though Shri Mataji came 1 hour and a half after the beginning of the program, only one or two people had left the hall.

Before Her speech, the vice-president of the local government gave a welcome address pointing out Shri Mataji's role in the achievement of peace in the world. After a short speech Shri Mataji said that all of them had already received their realization, so for the first time in Italy, She used the Indian way of giving realization.

Then Shri Mataji went to have a pizza in the same place where all the sahaja yogis from all over Italy had assembled to eat. She was very happy about the program and said that many seekers lived in Genova, where She stayed for the night (even if Cabella is only 40 minutes away), vibrating the whole city.
