

NEWS FROM BATEMANS BAY!

In the last 10 months 97 people have had Realisation from public programs, and nine are hanging in there, most coming weekly to 3 weekly follow-up programs. On Sat, Oct 9 there will be a public program plus the Sydney Bhajan group coming down to play, and there will be 7 weekly programs after that on Wed nights, Oct 13 to Nov 24, all at the Batemans Bay Community Centre. (The music group will then grace the public program at Ulladulla on Sunday morning). A thousand thanks to Sydney leaders, the country tour people and Illawarra people who have donated money to hire the hall, during this year.

JAI SHRI MATAJI!

Love to all,
Jenny Watling.

NEWS FROM TURKEY

In the recent earthquake in Turkey, all of the Sahaja Yogis were safe and uninjured. Shri Mataji said this was because they had all attended at meeting at the Turkish leader's house, where they had slept the night, together under one roof.

Your power itself will show that this power is really of love, affection, compassion for the transformation of the whole world. I'm thinking of the complete global transformation, which, I know, is a mad dream, but still I think like that. Because I see you all, then I think you all can do it. And when I see the Shri Ganesha in you, I'm sure it will work out.

MEDICAL CONFERENCE

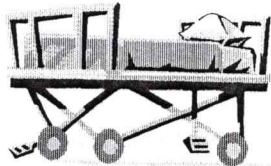

Can you imagine, 250 medicos, pin drop silence, Shri Mataji's photo projected onto a large screen, vibrations flowing and realisation gained by all.

That was the scene at Medical conference the Royal Women's Hospital in Sydney as Amjad and Ramesh addressed the attendees. The feeling was awesome!

As a collective we can be so proud of the work being done by these guys.

Perhaps now the medical profession will turn around.

MESSAGE FROM NT.

Jai Shri Mataji,
Fantastic time and money saving idea to have the SY newsletter on Email for postal communities. So much easier to print than having to find a photo copier too.

It has been quite some time since NT has been in the news so I should get you all up to scratch with the latest news.

As many of you know, Sarah and David Matthews ex of NZ are now settled into Darwin for a couple of years or so. We enjoy symphonies every now and then. (especially when free tickets permit) We call it "getting a little culture" up here. So now the Darwin public are also getting some of our "culture".

Programs are happening in two separate locations. About five of the Darwin orchestra musicians have received realisation, so the vibrations will be at work all over the Northern Territory through the music.

To everyone who heard of our desire to obtain an harmonium everything has been very sweetly taken care of.

Love and vibrations to everyone, see some of you in Cabella next week, don't forget your tea towels and rubber gloves.
Linda.

Accommodation

Women will stay in the hangar, men will stay in the big tent nearby. Some of the host country yogis may stay in the new villa Shri Mataji has purchased above Albera.

Transportation from Milan to Cabella

There is a very good public bus service from the airports to Stazione Centrale in downtown Milan where the train to Arquata Scrivia can be taken.

These trains run every two hours in the direction of Genova or Ventimiglia.

The Arquata Scrivia stop is the fifth stop, a journey of approximately 1 hour and 40 minutes. Tickets for the buses can be bought from the airports. There is also a local bus service from Arquata to Cabella that runs from early morning until 22.35.

Those requiring pick-up should communicate their arrival and departure details and the number of the group.

Please send these details as soon as possible to the Geoff Platford by 16/9/99 on 64 9 419 8016.

Cost = L.30,000 or to Cabella's fax after 18/9/99 addressed to John Tedesco: +39 0143 919 527.

Buses leave Arquata Scrivia for Albera & Cabella from the square in front of Arquata Scrivia station. Cabella is the last stop in a journey of about 45 minutes up the valley.

Daily: 6:30am, 7:30, 11:50, Business days: 13:20, Daily: 14:30, Mon to Fri: 17:35, Saturdays: 18:15, Business days: 18:45, Daily: 22:35

A shuttle service will be provided from Cabella to the hangar and vice versa (approximately every 20-30 minutes).

Respect for Shri Mataji's Privacy

The greatest respect should be paid to Our Divine Mother, Shri Mataji Nirmala Devi, by proper attention and respect for Her privacy. It is by Her Grace that we are permitted to have the Pujas in Cabella but we should remember at all times that this is Her private family home.

SHRI GANESHA PUJA

Dear Sahaja Yogis,

There are a few more details about this puja available from your country leader, primarily of interest to those that will be attending. I have also heard from those returning from Virata Puja that the mountain air in Cabella is already turning quite cold so having warm clothing for the evening is advised.

Jai Shri Mataji!

Message from Michael Fogarty, Australia

By the Grace of our Divine Mother

Shri Mataji Nirmala Devi

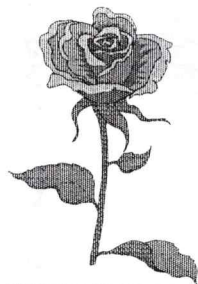

Shri Ganesha Puja at Cabella Ligure, Italy on 24th, 25th, 26th September 1999

The host countries of Australia, Hong Kong, India, Indonesia, Japan, Malaysia, New Zealand, Philippines, Russia, Singapore, Taiwan, Thailand and Vietnam, gladly invite their brothers and sisters from the four corners of the world to join in the celebrations and devotions to our Divine Mother in the aspect of Shri Ganesha, and to celebrate international Sahaja marriages.

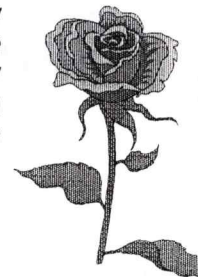

By now most of the arrangements for a Puja weekend are well known, but just to highlight some of the main points again.

Location

The hangar has been moved to location near the river between Cabella and Albera (closer to Albera).

The House and all property are strictly out of bounds. Only those who have permission or who are specifically requested by Shri Mataji should approach the house. This applies also to the leaders.

Dear brothers and sisters,

You probably know already that Mala has been the chief cook in the kitchens for nearly every puja since Shri Mataji came to Cabella. We have come to rely on her. However, together with her husband, she will shortly be transferred abroad, too far away to attend all the pujas. So we are looking for people who can replace her.

Ideally this should be someone who is qualified and, above all, experienced in catering for large numbers of people. It should also be someone who is balanced, practical and established in Sahaja Yoga, not least because the job would involve conferring with Shri Mataji and making sure that the menu and the quality of the food are as She would like. In addition the candidate(s) should be willing and able to attend all pujas, arriving a day early and leaving a day late.

The first appointment would be Ganesha Puja 1999. It will be Mala's last puja as chief cook and, therefore, the last opportunity to learn from her experience.

Country leaders are kindly requested to put forward the names of any interested candidates which will subsequently be submitted to Shri Mataji. It goes without saying that the final choice of who will be blessed with this opportunity rests with Her.
