If all the world

If all the world were paper,
And all the sea were ink,
If all the trees were bread and cheese,
What would we have to drink?

If all the world were realised,
And blessed from above,
If all the people knew the truth,
Would there be anything but love?

If all the world were realised,
And blessed from above,
If all the world could feel your joy,
Oh, Mother, would there be anything but love?

RECEIVED FROM CABELLA

GANPATIPULE INDIA 1998

News has come from Cabella that there will not be an India tour in the old sense of the term BUT there will be a visit to Ganapatipule from 22nd to 29th December. The Itinerary so far is as follows: -

21 December Arrive Mumbai

22 December Travel to Ganapatipule
↓
Stay at Ganapatipule

29 December Travel to Kalve, Mumbai

30 December Kalve

31 December AM Puja
 PM Depart India
 PM New Years Eve, Evening Music Program

Ground fare GBP 600 (600 Pounds Sterling)

No mention of marriages at this stage but I think it would be likely that marriages would take place. Notification will be provided as soon as confirmed yes or no.

Those intending to go to Ganapatipule, including school parents should notify Peter Brownscombe, preferably by fax (02) 9745 4927 or mail, 10 Clarence Street, Burwood NSW 2134, as soon as possible.

Air travel Be prepared to make your own arrangements and be prepared to pay between \$1600 (Cathay) and \$1900 (Qantas).

DHARAMSALA SCHOOL PARENTS TRAVEL TO GANPATIPULE VIA RAJASTHAN

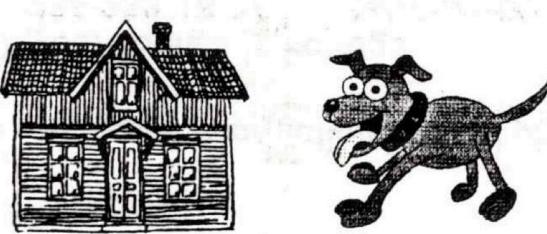

Shri Mataji has invited parents to accompany the Children from Dharamsala by train to Ganapatipule for "little extra cost" beyond the costs referred to above (plus the cost of getting to the school). Details to be publicized once known.

Preliminary itinerary as follows: -

13 or 14 December	Parents can arrive at school
15 December	Children, Teachers, Parents depart Dharamsala by train. Travel via Delhi and Rajasthan, Jaipur, Kota etc
22 December	Arrive Ganapatipule
31 December	PM onwards Depart India

This would seem to be a good opportunity for some of the parents of the younger children (where supervision is needed) and some of the parents of the older children (where communication would be beneficial) to help with the delivery of the children to Ganapatipule and to ensure the safe custody of the children once there. It would be an opportunity to get to know the staff and observe the staff student dynamics. The school should be advised of those coming.

DIWALI PUJA
October 23/24/25 1998 Sintra (Portugal)

&
PUBLIC PROGRAMME
Monday October 26th 1998 in Lisbon (Portugal)

Dear Country Leader,

Once again, our Beloved Mother is blessing us with a Diwali Puja in Sintra (Portugal) and a public program in Lisbon.

The accommodations will be in a holidays camp "Quinta do mar" nearby Sintra at 15 minutes walking from the sea side. Please bring your sweaters as the weather should be pleasant but slightly cold in the evening. Sleeping bags will be needed. Transportation from Lisbon airport will be provided by bus.

The price will be £ 130. The sahaja yogis from the African countries that can not afford the normal price, can have a lower price of £ 31. The children from 3 to 14 years old pay half amount, and there is no charge under 3 years old. These prices are from Friday evening (diner) to Sunday evening (diner+night). They include the meals and the accommodations at the holidays camp : in a pendel for men and in beds for ladies and elder sahaja yogis. Those who wish can bring they own tents.

There is also a possibility to stay in an hotel** for about £ 20 (single) or £ 30 (double), or in an hotel**** (Mother's hotel) for about £ 75 (double). These are the prices for one night, the meals will be served at the camp only. Mother's hotel is about 15 minutes by taxi from the camp. The cost of the trip is around £ 5.

There is a possibility to accommodate at the holidays camp the sahaja yogis arriving earlier or leaving after, i.e. on Thursday 22nd or, Tuesday 27th, for £ 15 per day (meals+night). For those arriving before Thursday 22nd or leaving after Tuesday 27th, we can suggest some hotels in Lisbon with a rate of £ 15 to £ 25 per night depending on the hotel.

Subject: Chakra Film Project

Chakra Film Project

Shri Mataji has requested that an informational video film on the chakras and the subtle system be made. Phil Trumbo in Seattle, WA, USA is beginning work on this project. The video will be a combination of live action and still images similar to "The Vision", the video biography of Shri Mataji, with the addition of computer generated images of the chakras and subtle system. The video is oriented towards the general public, not aimed only seekers and will be distributed through public libraries. The film will be available for screening at businesses and corporations and for use at Sahaja Yoga public meetings. Dr Rai has given permission to use his book "Medical Science Enlightened" as the primary reference and inspiration. Phil was able to discuss the project with Dr. Rai at length while at the clinic this summer.

Phil is requesting yogis to send any images, charts, or video clips of the chakras and subtle system, historical information and images of other culture's awareness and uses of the chakra system, transcriptions of Shri Mataji's talks where She is describing what the chakras look like (Does anyone have a copy of the chapters of a book project from several years ago where Shri Mataji describes in detail what the chakras actually look like both when healthy and when caught-up?), and any papers about medical or scientific uses of Sahaja Yoga.

Thank you very much for your time and attention. Please don't send anything that needs to be returned.
