David M.

like you to know of our collective and our activities up here.

We have four houses. The main centre at Gosford. Malcolm & Janyu at Kariong, Zoe at Avoca and Susie at Jillaby, Currently, Celia and family who are living in the Gosford ashram, are moving interstate at the end of the year leaving only Diana and myself. This puts the ashram in danger of closing down and after all the great effort it took to get started, we would not like that to happen. We need a few committed people to keep it open and maintain Sahai yoga's strong presence on the coast.

If anyone is interested, please phone David Coleman on (043) 231913
