NEWS FROM THE VIDEO LIBRARY.,.

We are pleased to announce that the collective have purchased a LARGE SCREEN VIDEO PROJECTOR. This allows us to project an image 4ft x 4ft up to 12ft x 18ft. This video projector is available to all the states (a portable case is being made). We can use it for seminars, public programs and when Shri Mataji is here we can project her image on the side of the stage so that everyone in the hall can see her.

Subj:

Dear Phil, There were two programs in Ireland during the last two week-ends, on the 4th and 11th of June. On the previous one there were approximately 50 people, most of them were new people and some of them came for the second time. The program was wonderful, with beautiful vibrations. Moreover there live talk about Sahaja Yoga on the radio (the name of the radio is Anna'Livia), for 10-15 minutes. The reporter was very positive and so far there were no negative responses. The latest program was held in a new there were no negative responses. The latest program was held in a new smaller hall. The rain was so heavy, that the yogis did not expect anyone to come. Still 15 people turned up and the meeting was very pleasant. As there were less people there was a workshop, which the new people enjoyed very much. Their questions were very good and they could understand the universal integrity of Sahaja Yoga. Brian who was on all the three programs said that the quality of this latest program was the best, the deepest. This Friday there will be another program, and as far as I know none of the English Sahaja Yogis will go. Let's do a bhandan for our brothers and sisters in Ireland. In two weeks time there will be Sri Mataji's program in the Royal Albert Hall and we hope that some of the new people from Ireland will come and see Her there.

These are the latest news about Ireland, and we really have a big desire that Sahaja Yoga will be well established in Ireland. Jai Sri Mataji! Best wishes to all yogis!
